

# FAMILY 411: ROUNDUP

Busy much? Us too. That's why we sourced the best mother's little helpers. Paper or digital – you decide

**GET ON TRACK** Stay on top of things with a fab organizer. Here are five that we love (most mom-designed!) **1.** This document binder features beautiful black and white photos. *Your Child's Health & Wellness Record*, \$40. **2.** This cute "desk-on-the-go" has pads galore and a calendar. *Truly Mom*, from \$65 US. **3.** If digital is more your style, you can't beat a BlackBerry. *BlackBerry Pearl*, prices vary depending on plan, Rogers. **4.** Your whole family's records will fit into this totable folder. *Get Organized Family Medical Journal*, \$35. **5.** Chic and practical! A zip-shut binder prevents papers from escaping. *Health Pod Baby*, \$60. Pencils, pad, *See Jane Work*.
